

## PRAYERS FOR OUR CHURCHES 2013

The Conference Board of Laity and District Superintendents request that your church commit to pray for other churches and agencies in the North District. Several churches will be listed each month for your prayers. We would like for this list to be published each month in your church newsletters and weekly in your church bulletins. It is important to know churches are praying with and for each other. Please pray for the pastors, the congregations and the communities.
